"I Have Ended Corns Forever"

Our chief chemist, years ago, came to us and said:

"I have found a way to wipe out corns forever."

We doubted it, as you do. But he had studied corns 25 years, so we tested his invention. We supplied it to doctors, to hospitals, to experts on corns. One application ended 91 per per cent of the corns. All the

Since then, this gentle wax, applied in a plaster, has ended 70 million corns.

Blue-jay is applied in a jiffy. It stops the pain instantly. You never think of the corn after that.

In 48 hours the corn disappears, without soreness.

New coms may come if you wear tight shoes. But they never can pain you if you use Blue-jay. And they never can stay. So Blue-jay means freedom, from corns. It has brought that to millions
